### Film Presentations:

#### History on Film

##### *Ben and Jerry's*

Ben Cohen and Jerry Greenfield tell how two real guys built a ice cream business with social conscience and a sense of humor.

**Monday, March 6, 2:00 & 6:30**

#### Travel Film

##### *The Grand Canyon*

View the natural geologic features of the Grand Canyon and enjoy rafting through the canyon. Meet the condor, too!

**Monday, March 20, 2:00pm & 6:30pm**

#### Movie Time on the Big Screen

Celebrate Women's History Month with a big screen production of 'A League of Their Own' about the first female professional baseball team formed during WWII. (1992, 128 min.)

**Mon. March 27, 2 or 6**

### Book Discussions:

#### Book Talk

A Land More Kind than Home by Wiley Cash

**Tues. March 14, 2:00**

#### Inspirational

Long Way Gone, by Charles Martin

**Thurs. March 16, 2:00**

#### Once Upon A Crime (Mystery)

Who Let the Dog Out? by David Rosenfelt.

**Thurs. March 23, 7:00**

### ◆◆ Special Programs ◆◆

#### Nourish Your Brain

You can promote your brain health. Learn about that and specific foods that promote brain health, along with other strategies that help exercise the brain and the body. This class will be presented by the Health and Human Sciences Educator for Purdue University Extension.

**Tuesday, March 6, 2:00-3:00**

#### Stamp Class with Melissa \$5 fee

Get creative with rubber stamping

**Wed. March 15, 6:30**

#### Gardening—Monarch Butterflies

Learn all about monarch butterflies and their conservation in this class presented by a Master Gardener.

**Thurs. March 16, 6:30**

#### Adults, Teens, & Children (accompanied by an adult):

##### Dr Seuss Science

Celebrate Dr. Seuss with science inspired by his books. Use the scientific method, experiment, & create! Take some projects home, too! All ages. Children younger than 5th grade must be accompanied by an adult.

**Saturday, March 4, 2:00-3:00**
